

908051 Fiber optic DIN Rail splice box for 8 x LC couplers

Short Description

These compact FO splice distributors for TH35 mounting rails are ideal for use in industrial environments. The box can be quickly and easily attached directly to the mounting rail (DIN rail). The empty housing provides sufficient space for cable feed and storage. The enclosed front panel allow the installation of LC-Duplex or SC-Simplex adapters.

Features

- DIN rail termination and distribution box
- Empty box, for installation of pigtails and couplers
- Including splice cassette and fibre tray
- With 2 replaceable shrink splice holders
- Suitable for 8x LC-Duplex / SC-Simplex adapters
- Variable cable entry with PG 11 glands
- Robust steel housing, light grey RAL 7035
- Dimension: 126x35x138mm
