High Quality 2-Way Audio Wireless Speakerphone

The Conceptronic 2-Way Audio Wireless Speakerphone is a Bluetooth multimedia device which can be connected wirelessly to a Bluetooth mobile phone, PDA, laptop or PC. As well as playing your favourite music, the speaker also enables hands-free speech in the office or home, offering top quality audio and voice clarity. Suitable for low-power USB devices, the speakerphone weighs in at just over 200 grams and has a range of up to 10 metres. Classic, sophisticated design coupled with convenience and versatility make the Conceptronic Speakerphone an ideal relaxation companion!

Highlights
