

CSPKBTTL

Wireless Bluetooth Touch Lamp Speaker

The Conceptronic Wireless Bluetooth Touch Lamp Speaker is a Bluetooth multimedia device which connects wirelessly to any Bluetooth mobile phone, PDA, laptop or PC. With three levels of touch-adjustable light and an easy carry handle, the speaker is perfect for outdoor activities such as camping, partying, barbeques at the beach or wherever life takes you. In addition, the speaker can be used as a nightlight, with soft light and music creating a great relaxing atmosphere at home.

Highlights
